Public Letter of Reprimand

On December 8, 2014, the Nevada State Board of Medical Examiners issued a Settlement Agreement whereby you were reprimanded, fined \$2000, required to complete 15 hours of CME regarding the subject of Radiofrequency Ablation procedure, defibrillators, medical records and/or ethics, and required to pay the cost of the investigation and prosecution of the matter. This action is based on your failure to maintain timely, legible, accurate and complete medical records relating to the diagnosis, treatment and care of a patient.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
